The Amboy's Launch Fundraising for July 3rd Fireworks

The Mayors of Perth Amboy and South Amboy, in alliance with the Celebrate Our Stars & Stripes Committee are launching the fundraising efforts for July 3rd fireworks spectacular. This year, the pyrotechnics extravaganza is honoring America's patriots from the past, present and future. During the May 3rd kickoff event for the fundraising efforts, a group of "patriots," a Founding Father and local sponsors presented a Boston Tea Party skit.

The theme for Perth Amboy and South Amboy fireworks recognizes the deep and lasting connections Americans have with the concepts of freedom, independence and liberty.

Annually, the fireworks are viewed by more than 60,000 people who line Raritan Bay shoreline. The magnificent pyrotechnics

are presented by the world-renowned Garden State Fireworks. Also, each city organizes a series of family-friendly activities, which occur before the fireworks will begin on July 3rd at 9:15 p.m. Residents, their families and friends are invited to enjoy all the activities, and view the fireworks for free.

All costs are paid by generous donations from corporations, local business, families and individuals. The not-for-profit Celebrate Our Stars & Stripes Committee coordinates the fundraising. Right now, companies and individuals may contribute funds via Celebrate Our Stars & Stripes website (<http://www.celebratestarsandstripes.com/>).

The Celebrate Our Stars & Stripes event was held on Friday, May 3rd on the Cornucopia St. Charles Vessel, at a dockside event in Perth Amboy. The guest

list for the Celebrate Our Stars & Stripes event included Honorary Chair and Perth Amboy Mayor Wilda Diaz, Honorary Chair South Amboy Mayor Fred Henry, and City Council President Mickey Gross, Celebrate Our Stars & Stripes Committee Chairman Barry Rosengarten, Christopher Santore of the world champion Garden State Fireworks, Event Emcee Bart Baron, WCTC-AM's Morning Show Host.

South Amboy, Perth Amboy and Celebrate Our Stars & Stripes News Media Briefing and V.I.P. Sponsors Lunch was attended by people from local corporations, small businesses, not-for-profit groups and individuals who help fund the annual fireworks spectacular. A group of brave "patriots" presented a skit about the Boston Tea Party.

Business Of The Month Homecare Rehab

At Homecare Rehab, our business is strictly house calls. We are committed to helping our patients age well and remain mobile. Our practice has a unique structure to provide physical therapy, occupational therapy and speech therapy with the focus on treating patients in their home environment. This enhances their everyday life, allowing for more rapid and lasting improvements. Our goal is to assist our patients in regaining/maintaining their independence and safety in the home and community environments. We believe that it should be expected that we age well! And we believe we can help.

This company is a family business, headed by a local father-son duo. Physical therapist Dr. Edward R. Marion, PT, DPT, MA, a graduate of New York University and College of New Jersey, has served the residents of Sayreville and South Amboy for more than 20 years. With the addition of his son, Dr. Edward J. Marion, PT, DPT, Rutgers University and The College of New Jersey, and daughter-in-law Dr. Christine Niles Marion, PT, DPT, Ithaca University, Homecare Rehab has grown to a partnership providing care in parts of both New Jersey and Pennsylvania. Background financial work is done by family members as well, as this is a small but flourishing family business.

Our therapists are trained in diagnosis, treatment, and management of patients across their lifespan with age-related, neurologic, orthopedic, and/or cardiovascular/pulmonary conditions. Treatment helps to restore mobility, reduce pain, and increase fitness levels. In our modern society, age-related physical decline

Dr. Edward J. Marion, physical therapist assisting a patient in the home, providing home care and rehab.

is often accepted as inevitable. However, we refuse to allow functional decline to occur due to passive aging. When receiving skilled care therapy services from Homecare Rehab, individuals may find improvements within the following areas: balance, coordination, ambulation safety, transfer ability, bed mobility, negotiating stairs, proper use of assistive devices, alertness, motivation, weight control, and overall independence.

Our clinicians treat physical pathologies in order to improve functional mobility and independence. We treat these conditions at all stages with emphasis on early intervention. Providing care as early as possible can slow progression or even prevent debilitating physical conditions. Doctors refer to us for a variety of conditions, including falls, weakness, pain, dementia, debility, deconditioning, fear of falling, gait abnormality, functional decline, balance impairments, and other neurological conditions which may cause instability. Homecare Rehab accepts Medicare Part B (outpatient), most Medicare Advantage Plans, and many commercial insurances.

We work closely with patients and their families to ensure each patient receives the highly skilled care they deserve. Regardless of their condition, we are determined to help our patients achieve their goals and allow them to thrive throughout their lifespan. It has been our pleasure to serve our neighbors these past years, and we look forward to helping you and your family in the future.

Please feel free to contact us at homecare rehab.org or by calling us at 732-610-2528.

The American Flag
 (Photos submitted)

Members of American Legion Lenape Post 211 Honor Guard of Sayreville are assisted by local Girl Scouts during an evening of educating the Scouts in flag etiquette.

Past Commander Rich Kosmoski assisted by Honor Guard members demonstrate the proper procedure to fold the American flag to the Girl Scouts.

Learning About The American Flag

By Rich Kosmoski

On April 29th, 2019, the Sayreville American Legion Lenape Post 211 Honor Guard hosted a contingent of 50 Girl Scouts and leaders at their post. The Scouts were there to learn about the flag of our country.

They were taught the proper way to display the flag and to administer proper respect to the flag when it is carried and/or displayed. The Scouts were shown the proper way to fold the flag and what each fold represented. Then each Scout and leader had the opportunity to fold the flag properly according to military regulations. This evening of training was conducted for the Scouts in order for them to receive the "Color Guard Advocacy Patch."

A demonstration by the American Legion Honor Guard was held to shown the Scouts the proper way to carry and post the colors during parades and other ceremonies. Following this demonstration, each of the Scouts had the opportunity to carry flags and post them in the proper procedure.

Yearbook-Hoffman Class of 1979

By Mary Kate Kelly Contributor Tom Burkard

The song "Grease" topped the pop charts, as Hoffman High's Class of '79 got back to the books in September of '78... "The Last of the 70's" was the inscription on the cover of the Class of '79's yearbook. It's hard to believe, but 40 years have come and gone. It seems like yesterday Marion Cooper, Denise Kudelka, Terry Kozak, Glenn Ball, Dennis Clark, Billy Croddick, Alison De Fort, Mike Attardi, Rich Aucone, Joe Drost, Eileen Gallagher, Tom Garsick, Linda Grover, John Guiro, Joan Harkins, Jack Kanecke and myself "rushed" to make the homeroom bell. I can still see Charlie Gray, Guy Fisher, Joe Carney, who sat in the back of the classroom rocking on their chairs. And who can forget Joy Tarallo, Gloria Higgins, Denise Spencer, Karen Redden, Claire Skrynka, June Stolte, Chrissy Ryan, in my class.

Mr. De Pasquale was the Principal, and some of the teachers were Reggie Carney, Mr. Larsen, Mrs. Yadowsky, Miss Folis, Mr. Bonner, Miss Marbach, Miss Wieringer, and Mr. Olszak... 1979 was quite a year on the national front. "The China Syndrome," a popular movie about a leaking nuclear power plant became a reality with Three Mile Island in Harrisburg, Pa.... Pope John Paul visited the U.S... Acting legend John Wayne died... The Purple & Gold squads were filled with talented senior athletes including; Frank Kuziowski, who joined the elusive 1,000 points club. Randy Neumann, who was an all-

state outfielder in baseball, Alex "Tucker Me Neil, Mark Wahler, Paul McLaughlin, Marty Carey, Mike Diem, Louise Westerholm, Warren Christensen, Jimmy Bright, Corina Bloodgood, John Pyonteck. The Hoffman vs. St. Mary's football games were the highlight of every new school year, especially the parties afterwards. Terry Levandoski was Editor-In-Chief of the yearbook... Senior Class officers were Helen Mae Stader-Pres.; Brenda Pytel-VP; Jackie Johnson-Sec; Jill Pappa-Treas. Other fine friends and classmates such as the following will never be forgotten, as they helped make it a great class; Ann Matarangolo, Mariann Wawerczak, Kelly Vona, Gina De Maio, Richard Allen. David Bloodgood, Cindy Fodor, Patty Krygier, Jane & Janet Dyer, Angie Gonzalez, Kathy Koerner, Fred Hurst, Denise Kuzma, David Laberge, Mary Agnes Locascio, Bobby Maker, Jan Malkiewicz, Bill Me Mahon, Drew Newcomb, Richie Norek, Peggy O'Grady, Vinnie Paduano. Scott Peterson, Eddie Flynn, Kathy Radtke, Chris Richmond, Gerianne Scibek, Guido Sessa, Joe Sporek, Frank Tarallo, Robin Toth, Benny Vattelana.

It didn't matter if we were in Tony G.'s History class or Ms. Search's Science class, keeping Mrs. Lopez (to whom this yearbook was dedicated) out of the girls room or hanging at Kelly's Sub Shop (The Jug), the CLASS OF 1979 IS DEFINITELY FINE."

Turback Inspires Artists

Victor Wayne Turback was raised in Sayreville, NJ with a knack for the arts from the very beginning. His passion drew him to New York, where he attended Pratt Institute "stretched his creative legs" with the likes of photographer, Robert Mapplethorpe, singer/songwriter, Patti Smith and designer, Betsy Johnson. Later, returning to his roots, he successfully established The Bedroom Nightclub and Lounge known for its surreal interiors and unique atmosphere. Wayne, as his friends know him, then ventured off with his wife, Sally, to create their brain child, The Broadway Central Cafe in South Amboy. The Broadway was a creative hub exhibiting Wayne's art, where artists could be inspired and express themselves. Members of Bon Jovi and The Smithereens, among other great artists, were patrons that became lifelong friends, commissioning art featured in numerous music videos and print seen around the world.

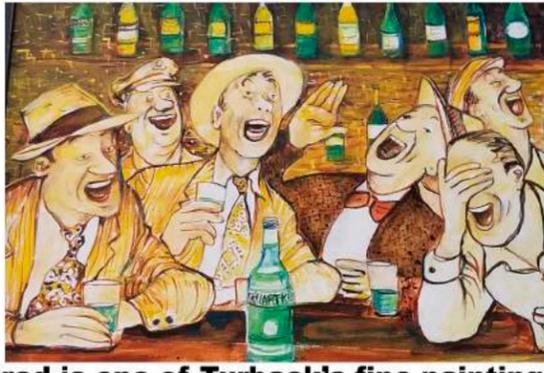

Turback's subject matter ranges from the actual to the unearthly, embodying both personal and universal imagery. The intricate details in each piece have a way of drawing you in, seeing more with each glance. His uniquely active imagination has helped him create a style of painting all his own making him one of the most influential artists of our time. (Article submitted)

Many creative people attended, and had a great time sharing their thoughts and ideas.

Friends, family, educators and others came out to the Sayreville Upper Elementary School (SUES) to pay tribute to the school's late D.A.R.E. Officer Charles "Chip" Blazas of the Sayreville Police Dept. Known as "Officer Chip," he was posthumously honored by having his proclamation from the borough, and picture placed on a wall leading to the school gymnasium, where he taught the students Drug Abuse Resistance Education about the dangers of drugs. Officer Chip Back Home With "His Kids"

By Clem Skarzynski

On Tuesday April 23rd, Sayreville's beloved D.A.R.E. Officer, the late, Charles "Chip" Blazas, known to all as "Officer Chip" went home to "his kids", at Sayreville Upper Elementary School (SUES) where his Borough proclamation and picture was placed on the wall leading to the School Gymnasium where "Officer Chip" taught "his kids" Drug Abuse Resistance Education, about the dangers of drugs. The journey began when the need to recognize "Chip's" work was apparent, while knowing him thru the years, and seeing and understanding, his passion to "Let these kids know the real dangers out there they faced everyday with drug and alcohol abuse and its inherent long lasting dangers". Chip's love for "his kids" was the same as the love he had for his "family and friends. He just knew how to approach them, talk with them, without coming on as a "cop". His smile and personality made it so easy for "his kids" to listen, ask questions, and just be at ease with him in the classroom and beyond. He had that "presence" with everyone he knew and met. So it was then, I sat down to write a proclamation for him..

so everyone who saw it, and read it, would get a true understanding of his work with the Borough's "kids"..And ya know, I didn't write Chip's proclamation..HE DID!! That's what made it so easy to write, he did it with his legacy, and made it easy for me to put in black and white! And, it needed to be at "Chip's and his kids" home, The SUES! Many thanks go out to Stacey Coglianesse, Principal of UES, Dr. Richard Labbe, for allowing this to happen, and their help in organizing the event which brought out so many of Chip's friends at the school. Heart-warming speeches of their friendships with Chip. Ms. Coglianesse, Dr. Aguilles, Dir. of HR, who was Principal at UES during Chip's tenure teaching there, Ms. Bonnie Brady, retired Vice Principal at the UES, Linda Smith, School Counselor at UES, Gineen Morosco, Special Ed Teacher at UES. Again, to all, my sincerest thanks for such a beautiful tribute to my dear friend Chip, who so much deserved it! "Chip, you're home now, so give your guidance to your "kids" everyday! Keep that smile and personality alive and well at the SUES. "Welcome Home".

Speaker Coughlin on Anti-Hunger Bill Package Becoming Law

Speaker Craig Coughlin released the following statement recently after Gov. Phil Murphy signed a sweeping anti-hunger bill package into law. The bills specifically address the reduction of food waste and food deserts, helping farmers, the provision of resources and information to the general public and food insecurity among students enrolled in public institutions:

"Too many residents in the state of New Jersey go to bed without a meal every night

- 1 out of every eight residents to be exact. No family should have to choose between paying their bills and eating a nutritious meal.

"The bills signed into law today will help steer us in the direction of reducing food waste, donating food to markets in need and combating food insecurity.

"To fight hunger effectively, we must address all possible sources of food insecurities for New Jersey families."

Caruso Co-Grand Marshal Of Memorial Day Parade

(Article submitted)

Peter Caruso will serve as Co-Grand Marshal of the Sayreville Memorial Day Parade along with Larry Bishop.

Caruso comes from a family of Army veterans, and at an early age aspired to follow in their footsteps. Upon graduation from Seton Hall University, he was commissioned a Second Lieutenant in the Army Reserves. He then went on to attend Armor Officer Basic Training at Fort Knox, Kentucky. Next, he was assigned to Fort Hood, Texas, where he was Platoon Leader of a Cavalry Platoon.

Soon after Fort Hood, he was ordered to South Korea as Executive Officer of Headquarter Company, Eighth Army Support Command. Peter eventually became Commanding Officer of the unit.

Having completed his active duty requirement, Peter was assigned to a Reserve Unit as Assistant Operation Officer, and completed his required reserve time as a

First Lieutenant.

Returning to civilian life, he resumed his career in education, and taught elementary and middle school grades in the Elizabeth Public School System. He later attained the position of Learning Disabilities Teacher-Consultant and Supervisor of Special Education before retiring in 1994. He then went on to accept a position in the private sector as a Director of Child Study Teams.

In addition to Peter's professional life, he has been very active in his parish, St. Bernadette's Church. Here he has served as a Lector, Eucharistic Minister, and as a Catechist.

The Smoke Column

By Ex-Chief Richard Kosmoski, BA, MS

If we could only predict the future, what would the fire service look like in 10, 20, or 30 years from now? What type of apparatus and equipment would we be using in our response to suppressing fires? How would our personal protective clothing change over time? What new design features in building construction and materials will be engineered over the next few decades? If we only had the answers to these questions, it would be so much easier to plan and budget our resources as efficiently as possible.

But unfortunately, we don't have that option. We hope that we make the correct decisions when planning for capital purchases for equipment and apparatus that will be in service for the next two decades.

If we only knew what type of building materials the architects and engineers are planning to use in the future, we could plan our apparatus purchases and equipment accordingly. It is unfortunate that the fire service is made aware of the characteristics used in building construction materials and the dangers they pose AFTER an incident occurs. Architects tend to design buildings with one thing in mind, AESTHETICS! They want to design their building to be different using the latest building products available.

Case in Point. On September 23, 2007, a fire in a high rise structure under construction caused over \$35 million dollars in damage. The Water Club Tower, a forty-one story complex, was being built as an addition to the Borgata Casino. The fire was reported to the ACFD at 0731 hours and within ten to fifteen minutes, most of the fire had subsided. In that short period of time, the entire exterior wall panels on the front side of the structure had been consumed by fire.

The materials used for constructing the outer shell of the structure contributed to the cause and rapid development of the fire. The materials were called Alcan Alucobond panels and its main purpose was of aesthetics. The panels were a composite of 1/8" aluminum sheeting with a 1/4" polystyrene

plastic center. It was originally believed that the polystyrene panels were the cause of this fast moving fire but that was proven to be incorrect since polystyrene is supposedly a fire retardant. After extensive testing, it was found that if a high enough heat was quickly applied to these panels, the polystyrene would liquify and then burn like a flammable liquid. This fact was not made known to the ACFD during the construction phase and they were unaware of this potential life threatening situation. Would it have made a difference if it had? Since the fire consumed the wall with 10-15 minutes and burned itself out, there was not much the ACFD could do to suppress the fire even if they were on the scene quickly.

Luckily the structure was still under construction, was not occupied, and sustained minimum damage to the interior. Where the fire attempted to enter the building on floors three to ten, sprinklers activated and prevented flames from entering those rooms. There was a six foot gap behind these exterior wall panels where the fire extending but this gap was enough to prevent fire from spreading throughout the upper floor of the building.

More recently in 2017, a fire in the Grenfell Towers, a 24 story apartment building in London sustained a massive fire when the cladding (paneling) on the outside of the building caught fire and burned upwards killing 72 people. Most, if not all, outside paneling/cladding is installed for aesthetic purposes because the architect wants his building to be different or stand-out among the others. It is our duty to be aware of what is in our community when responding to these types of incidents.

As Memorial Day approaches, let us remember our Firefighters who have passed away during this past year: Sayreville Fire Department-Kenneth Walczak, Melrose Hose Co. #1; Robert Castellano, Morgan Hose & Chemical Co.; George Zulin, Morgan Hose & Chemical Co. Fear of Flying

By Elaine Holton Scott

Most people were still afraid to fly in the 1950's. Our military didn't have a choice especially in wartime, of course, but "ordinary" Americans either were afraid to fly, just didn't have the money or a mix of both. Entertainers, politicians, and sports figures filled the airline seats and that wasn't hard to do as, by comparison to today, planes were "kind of" few. As a child, I'd actually get excited to see an airplane flying so high it looked like a tiny fleck crossing the sky. Always being introspective, I used to wonder about the people on the planes, who they were and where they were going. Quite honestly, I still do.

I was 19 on May 27th, 1967 when I first flew (alone) across the Atlantic Ocean to Germany on a TWA night-time flight. It was a long way to go knowing there was only some metal between me and all of that water thousands of feet below. My confidence had really been tested earlier at the airport seeing people taking out insurance policies before boarding. Even so, I took out a policy too... "just in case." Being a morale buster, not booster, insurance policies had been sold from kiosks and vending machines at airports just like magazines and candy were.

Becoming a Stewardess had seemed to be a glamorous job for a young female back then, one who wasn't afraid of heights. Written requirements for applicants aside from friendliness, manicured hands, and neat appearance were: age limits: 18 1/2 to 26 years of age; height between 5'1" - 5'9"; weight between 105 - 135 pounds. An "unwritten" requirement was the applicant had to be very nice looking... with the emphasis on "very." Not adhering to any of the requirements had meant being let go. A Stewardess following all the requirements got the same treatment as those who didn't upon her 27th birthday, when she automatically became too old. Meanwhile, male pilots could have been old, fat, and ugly, but it hadn't mattered because they were men. Thankfully, this unfair and blatant male chauvinistic attitude towards

stewardesses came to an end, no doubt, to the disappointment of the opposite gender.

Flying isn't such a big deal any longer for most people... many of whom never give it a second thought. Yet, there are those luckless passengers who should have taken a car, a bus, a taxi, a train, or a boat to get to their destination... like the following sample of celebrities who had lost their lives unexpectedly when their planes crashed: actress Carole Lombard, Clark Gable's wife; Buddy Holly, Ritchie Valens (only 17), and the "Big Bopper," all three dying together; John Denver; Ricky Nelson; Patsy Cline; Glenn Miller; Mike Todd, Elizabeth Taylor's 2nd husband; Dag Hammarskjold; Rocky Marciano; Leslie Howard who played Ashley in *Gone With the Wind*; Jim Reeves; Otis Redding; Jim Croce; and Audie Murphy, the most decorated war veteran who served in WWII. There were also Joseph P. Kennedy, JFK's brother; JFK's sister, Kathleen and her husband, William Cavendish; Frank Sinatra's mother who was flying to see one of his shows in Las Vegas; Jacques Cousteau's son, Philippe Cousteau; and John F. Kennedy Jr. who, it's been said, had made pilot errors on July 11, 1999, resulting in an end to his life and that of his wife and her sister... to mention just a few.

Rumbles from the Rock and Roll Reunion

By Clem Skarzynski

The Rockdaddys, a.k.a. "The Fee Bros. Band" were sounding tight and "on" at the Police Reserve Annual Carnival, Friday May 10th at Kennedy Park. Brothers Fran, and Tim, along with Richie Standowski, and doubling on the Bass and Sound Guy duties, Emerson Jones, from Basement Audio, with Kylie Craft, handling the sound board duties. Great job Kylie! You're good at your "CRAFT"! The "Daddys" have been on the circuit since 1998, and still going strong with a solid 4 piece "Classic Rock" set list from the 60's thru the 80's..Nothing like drums, guitar ,keys and a bass to achieve that "3 Chord Rock n Roll" sound, and the boys got it down. Nice Job Daddys! Congrats to Carmen Delikat for another successful "Support the Troops Dinner Dance at the Sayreville VFW on April 6th, and to all who attended to make it so successful! My thanks go out to the musicians with "Clem and Friends"..8 pieces of awesome Classic Rock and Oldies kept the crowd dancing! Hey, September will be here before ya know it, and that brings the Annual Sayreville Day festivities at Kennedy Park on the 14th, and the ever popular "Blast from the Past" Car Show and Concert on the 15th. "Clem and Friends' with S.A. Drummer Dave Silva, joining the lineup. More info to follow as we get closer. October not that far away either, so just a "heads up" with more info to follow, the OLV Seniors will be having a "classic Rock/Oldies nite on Oct.19th at The Msgr.Dalton Hall, so put that date on your Rock 'n Roll Calendars please, and I'll get back to you with more info as we get closer to the date. In first round action in the GMCT, both local schools were eliminated. Mother Seton blasted South Amboy, 7-1, and Bishop Ahr shutout the Bombers of Sayreville, 9-0.

Wyzykowski Coach Of The Year

Greg Wyzykowski, a Hoffman HS alumnus and current Sayreville business owner is also an outstanding tennis coach for Baruch College mens and womens teams. His men's team finished undefeated in the CUNY Conference for the 2nd year in a row, captured the regular season championship, and won the CUNY Tournament, which gave the team an automatic bid to the NCAA Tournament, where they played Goucher College, but bowed in the 1st round of a very competitive match.

Greg was chosen as CUNY Coach of the Year for the 2nd straight season, an

outstanding accomplishment considering the fact that the team lost half of their starting lineup from the previous year, removed their 3rd singles player midway through the spring season due to violation of team rules, and despite this managed to remain undefeated and bring home championships. Coach Wyzykowski said, "The students fought hard and stepped up."

Baruch College's 1st singles player, Abhinav was selected player of the year.

Congratulations to Coach Wyzykowski and his outstanding tennis team!

South Amboy High School Teacher Honored: Jersey Shore 5K & Tea

On Saturday, May 4th, runners and walkers from all over New Jersey laced up their shoes and headed to Bar Anticipation for the fourth annual Jersey Shore 5K & Team Hope Walk to raise awareness and funds for the Huntington's Disease Society of America (HDSA).

The annual race saw its biggest turn out with about 230 participants and raising over \$50,000 for Huntington's Disease, a fatal genetic disorder that causes the progressive breakdown of nerve cells in the brain. The money from the race will go to the HDSA's care, education, advocacy, and research programs both in the local community and across the country.

This year's first place winner, a South Amboy High School Freshman, Rafael Albarran (15) finished the race in 18 minutes and 59 seconds, beating out 3 time winner Daniel Campbell (44) who finished the race in 19 minutes and 49 seconds.

As an athlete on the South Amboy High School Track and Cross Country teams, Rafael was unable to accept the monetary prize for winning first place and graciously decided to give his first place prize to his teacher, Colleen Partenope. Albarran said he wanted to give back to his teacher who has done so much for his school.

Mrs. Partenope, a recipient of the 2018 "Positive Coach Award" for her dedication to her JV and Varsity Softball teams, has been a Math teacher at South Amboy High School for the past 2 years, and works hard to keep her students motivated and feel supported every day.

"I'm so proud of Rafael and my other students for coming out to run and volunteer in this year's race" stated Mrs. Partenope. "Each year you can see more people coming out to participate and learn more about this disease, and my family and I always try to do our part to help those who are affected by HD."

Mrs. Partenope and her family have been a part of the annual 5K since its inception and has raised numerous dollars over the past 18

Huntington's disease is a fatal genetic disorder that causes the progressive breakdown of nerve cells in the brain. It deteriorates a person's physical and mental abilities usually during their prime working years and has no cure. Every child of a parent with HD has a 50/50 chance of inheriting the faulty gene that causes the disease. Today, there are approximately 30,000 symptomatic Americans and more than 200,000 at-risk of inheriting the disease. The symptoms of Huntington's disease are described as having ALS, Parkinson's and Alzheimer's - simultaneously.

By Tom Burkard

Bombers Surprised Experts

According to an area newspaper, the Sayreville Bombers baseball team would be in for a rough year in 1969, following a super (17-5) season in '68. To quote the pre-season scouting report in an article in that newspaper, "1969 might mark the year that the Sayreville HS baseball corps comes back down to earth. Since John Wortley took over the coaching reigns 12 years ago, the Bombers have suffered just one losing season (1963), while developing into one of the biggest baseball powers in the entire state."

Sayreville lost its 3 top pitchers, and 3 other top-notch position players to the '68 graduation, and apparently local experts expected them to have an unsuccessful year. Guess, they didn't consider the managerial/coaching genius of John Wortley, who always worked his magic, and turned out strong baseball squads in Bomberland.

Star left-fielder Joe Gabel said that "He knew how to pick the players and place them on the field, and in the batting order to produce a winning team year after year after year. I have the highest admiration for the man. To win as many games and have as many players who 'loved to play for him,' he was certainly doing something right."

The Bombers quickly became a force to be reckoned with, blasting and defeating most opponents throughout the county, and going all the way to capture the Middlesex County Coaches Baseball Tournament (MCCBT). In the opening round contest, Frank Olszewski fired a 2-hitter and struck out 7 St. Mary's Eagles, while Kevin Lynch ripped a 2-run single, and Jim Campion went 2-for-2, as Sayreville advanced with a 4-1 victory. In the quarterfinals, against St. Joseph's, Frank Olszewski tossed a brilliant 5-0, 3-hit shutout, and left fielder Joe Gabel had a perfect 4-for-4 game with 3 singles and an RBI triple.

Gabel, continued his red-hot hitting in the semifinals, by blasting a game-winning 3-run homer to deep center field in the 5th inning, to break a 3-3 tie, and give the

Bombers a thrilling 6-4 semi-final triumph over Piscataway. Gabel finished the game with a perfect 3-for-3 and scored 3 runs. Olszewski came in for 4 strong innings of relief, to notch the win for the locals. Jim Campion drilled an RBI double.

In the MCCBT championship game played at Waters Stadium in Perth Amboy, The Bombers easily pounded the Patriots of Colonia, 10-0 to capture the crown. Kevin Lynch fired a 2-hit, 11 strikeout shutout, and Jim Campion ripped 3 singles and knocked in 3 runs to help notch the huge victory for the Sayreville squad, which wasn't given much of a chance in the beginning of the season, but certainly proved the critics wrong, by finishing with one of the best records in school history (20-7) under Coach John Wortley.

A very proud Coach Wortley said after his club fell in the CJ Group IV finals to Edison, 3-0, that his team "Was disappointed in the last game, but had great spirit all year long. We had an all-new team this year, and they were really great."

Sayreville's lineup for the championship game was: Dan Hockenjos ss Gary Unkel c Kevin Lynch p Gary George cf Joe Gabel lf Jim Campion 1b Rick Popowski rf Brian Kreiger 2b Bob Gaspertich 3b. Res.-Rich Lerche rf Bob Casazza 2b Andy Wilson 2b. Junior left-fielder standout Joe Gabel was selected the M.V.P. of the tournament with 8 hits in 13 at-bats, a scorching .615 avg., and 6 RBI for the champions.

Eagles, Governors Win Baseball Titles On The Same Day

50 Years Ago-June 4, 1969

By Tom Burkard

The date was June 4, 1969, and it will go down in history for the City of South Amboy. Our local high schools, St. Mary's and Hoffman accomplished a feat that was probably never done before or after in New Jersey, when two teams of the same sport, from the same town, both won state baseball championships on the very same day, as St. Mary's captured the South Jersey Parochial B title, and Hoffman won the Central Jersey Group I crown.

When the powerhouse St. Peter's of New Brunswick (22-6), and ranked #1 in Middlesex County, players and coaches got up on the morning of June 4, 1969, all probably expected an easy win over the Eagles, who they defeated 3 times during the regular season. Always confident and cocky, visions of a victory celebration, most likely danced through their heads. Our St. Mary's team, (12-11), faced a stiff test to say the least, and the Cardinals probably were 100-1 or more shot favorites to make it 4 straight over us at Johnson Park on that unforgettable day.

Coach Tom Otto's starting lineup was: Dennis Nardone 3b Joe Kelly cf John Clark p Nick Charmello ss Bernie Mackiel rf Joe Wallis lf George Krzyzanowski c Dave Wisniewski 2b Tom Burkard 1b. Other members were: John Kibbler, Gerry Henderson, Dan Weinman, Doug Sprague, Jay Thomas, Mike Drahos, Joe Jancola, Dan MacKay, John Smigelsky, and team managers Kevin Bergin, Henry Sager, Rick Sciora.

We certainly respected St. Peter's, especially after they dominated us 3 times already, in addition to blasting other teams throughout the county, all season, but on June 4, 1969, for this one game, a huge game for the title, and one shining moment in history, the boys of St. Mary's rose to the occasion, guess you could say something like it was "David beating Goliath" (LOL), and played our hearts out, giving 120%.

The Blue & Gold overcame all odds,

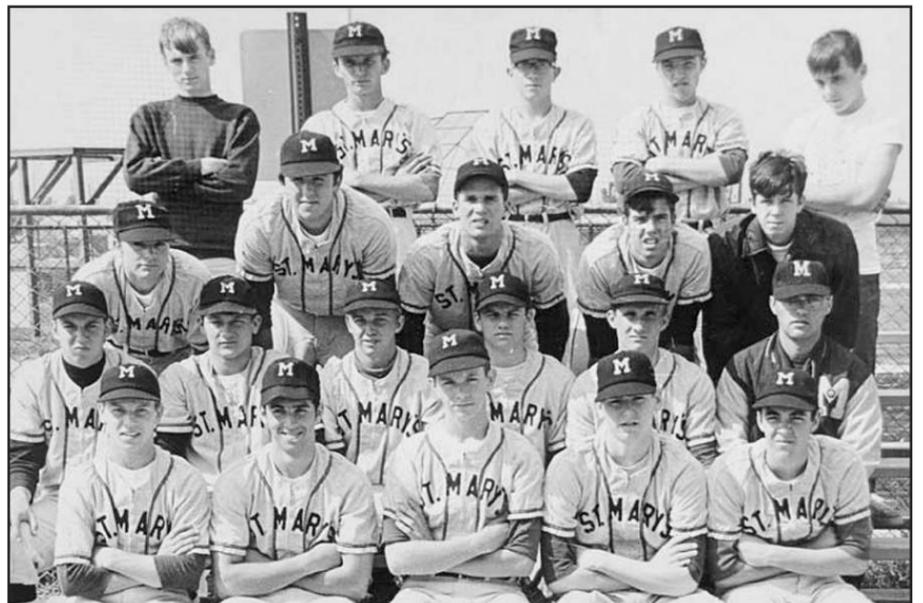

and defeated St. Peter's 6-3 to accomplish "The Impossible Dream." Kibbler, a talented sophomore lefty, who was injured for most of the season, relieved Clark, the starting pitcher, and hurled 3 1/3 innings of scoreless, 1-hit ball to notch the championship victory. He also won the semifinal game against Gloucester Catholic. SM capitalized on 6 errors by the usually flawless Cardinals team, and out-hit the New Brunswick powerhouse, 6-3. Kelly led the offense with a 2-for-3 game, and Krzyzanowski blasted a towering triple. The Lord smiled down on the underdog Eagles of St. Mary's, and gave them something to be proud of and never forget for the rest of their lives!

While our crosstown rivals, yet good friends, Hoffman (11-8-1) had beaten and tied a strong Henry Hudson (14-6-1) during the regular season, and now facing them once again in the CJ Group I final, Coach John Zdanewicz used the following lineup: Mark Abbatiello cf Jimmy Lyons ss Larry Kurzawa 3b Ken Blaha c Jack Bloodgood 1b Ron Croddick 2b Jimmy Tingle p Jimmy Croddick lf Gary Lange rf. Other team members: Danny Paone, Dennis Yanoski, Joe Smith, Doug Buckalew, Tom Wortley, Jerry Disbrow, John Yates, Gary Read, Roger White, and team managers Dennis McCarthy and John Wurth. John Kovaleski was assistant coach.

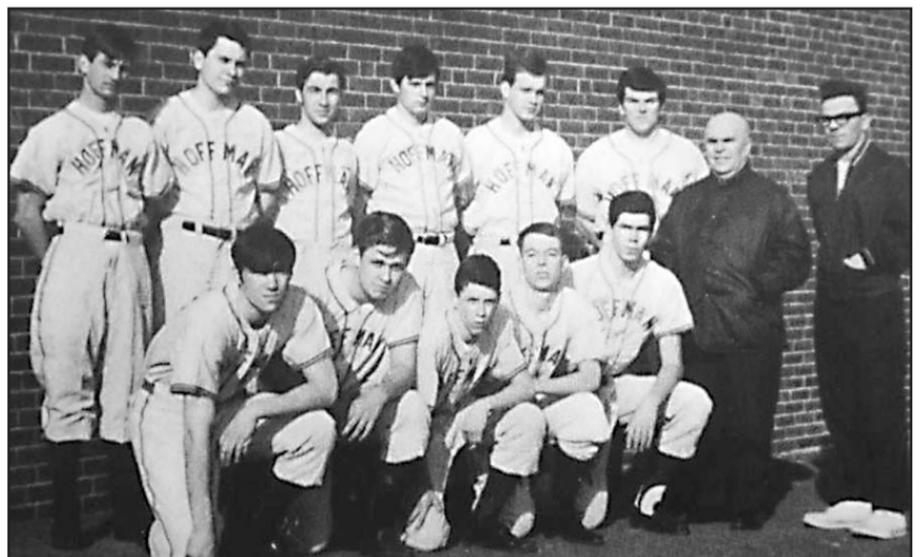

Kurzawa blasted a long double in the 8th inning to drive in Jimmy Lyons with the game winner in the extra inning thriller, as Hoffman prevailed, 6-5. Tingle pitched the complete game victory, striking out 5 and allowing 7 hits. Bloodgood drilled 3 singles and had 3 RBI, while Kurzawa hit a single and double, and Lyons laced 2 singles, as the Governors out-hit the Admirals, 10-7.

arrived as a star in the second game victory by the Guvs with a perfect 4-for-4 game... The Purple & Gold won its semifinal game, 5-0 over Keansburg, as Danny Paone won his only game of the year with a masterful shutout. Joe Smith was brought up from the JV's for this game to start at shortstop, and Doug Buckalew was also promoted to play third base. It is believed that the prom was held that night or the night before, and it prompted Coach Zdanewicz to call in replacements.

'69 Memories: The things I'll always remember about our unbelievable championship season of 1969 include: Our senior players getting to leave early from graduation practice at St. Mary's Church, and walking down the aisle, and seeing Eddie McKavanagh and others giving us the "thumbs up" signal, and saying encouragements like "go get 'em," "you can do it," "go Eagles..." The final out in the title game, and the pile up on Coach Otto...Singing our graduation song, "The Impossible Dream" on the bus...Otto lit up a cigar on the bus, and called it the "victory

cigar," and passed it around to the players to take a championship puff. The Hoffman bus passing us on Stevens Ave., and their guys celebrating and hollering out the windows to us, and our guys yelling back in celebration...Having a small victory parade through town with several cars honking horns and yelling out the car windows...The City of South Amboy gave both teams a banquet and engraved watches...St. Mary's gave us a dinner, trophies and windbreakers, (a really good one that lasted for 20 years).

The Trinity United Methodist Church of South Amboy hosted a complimentary breakfast for our thrift shop patrons on Saturday, April 13th. The idea for this event was presented during the Wednesday morning Bible Study Group. They decided to show their appreciation to the local customers who support our thrift shops by preparing and sharing a meal. The Thrift Shop is not one, but several sheds that contain goods, furniture, clothes and household items that are donated by the general public which is then sold. All of the proceeds are donated back to charities and local families in need.

The servers at the breakfast were the six Confirmands of Reverend Douglas Rea's 2019 Confirmation Class. Part of the process of becoming confirmed within the Methodist Church is to serve others. This

breakfast presented an excellent opportunity for our youth to give back to their community while fulfilling part of their confirmation obligations.

The congregation of Trinity United Methodist Church welcomes the opportunity to fellowship with our neighbors. We invite you to be part of our faith community at Sunday morning worship at 9:15 am. The church is tucked away in the woods at 815 Bordentown Avenue in South Amboy. We offer midweek Bible Study, Sunday School and service projects as well as multiple events to socialize and serve the Lord. We are an informal, family-oriented church with a heart for giving back to others.

If you would like to hear more, please call Reverend Rea at (609) 432-5073.

A Day Of Remembrance-PFC Benjamin Zygmund, Sayreville, N.J.

By Ronald F. Stryshak
1st Lt. USAR (Retired)

To most Americans, Memorial Day is a national holiday, a work free day to enjoy with family and friends.

For me, it's a time to think about all those who gave their lives so that we could enjoy this day for many years to come. I also think about those men who returned from the carnage of warfare and the indelible memories lodged in their brains forever.

One such man was Ben "Benny" Zygmund, a Sayreville resident and WW II veteran who went off to war at the age of 19. Ben was inducted into the U.S. Army in 1943, and served as a combat medic because he wanted to save lives rather than take lives. That alone tells me a lot about his character. He lived his entire 92 years in Sayreville with the exception of his time in service.

Ben was a combat medic assigned to the 232nd Mortar Battalion, 42nd Rainbow Division, which fought in Europe. He was engaged in combat operations in France, The

Battle of the Bulge, the Rhineland and Central Europe campaigns, including the liberation of the Dachau concentration camp.

The following are excerpts from a letter he wrote to the Veterans Administration in 2007.

"I had a tough time adjusting to civilian life for 2 years. I had bad dreams and always woke-up screaming. These nightmares were from liberating the people in Dachau...To this day, I wake-up at night when I see an Army picture on TV. It brings bad memories... At Dachau concentration camp, I can still remember seeing a room filled with just shoes from the victims which were killed. The Germans made articles from the bodies of the victims, lampshades, etc. There were bodies piled high, just skin and bones. This is something you never forget."

Today, Benny lies resting at St. Stan's Cemetery in Sayreville. Please take a few moments and say a prayer for him.

The New Season

by Al Gomolka Jr.
Times Poet Laureate
c. 1994

The cold, the snow, the dark has ceased
Enter the new season Summer's
lazy heat is looming
Spring is the reason
Fresh buds of flowers & leaves reappear
Colors are bright with light
greens & yellows
Birds return singing, daylight extends
April showers bring out umbrellas
Clean out the house, the yard, a garden
Animals roam, now thawed
from the freeze
Everything anticipates beginning again
Cabin fever gives way
to spring's breeze
Feel high, feel gay,
new hopes arise
It's time to start, time is pleasin'
Go outside, breathe deep, and smile
Enjoy!--for it's the new season.

Student Artists Gallery

South Amboy Arts Gallery will be showcasing the work of our MS/HS Student Artists. Students are presently preparing their choice pieces to hang in the gallery at 141 N Broadway with an opening show on Wednesday, May 29th at 6 p.m. The student artwork includes 2 and 3-dimensional pieces. That evening there will also be students reading their creative writing pieces with a musical performance to follow.

The City of South Amboy officially reinstated the South Amboy Gallery this year. The first show's opening was "The Central Jersey Collective," on April 13th. The three

artists, Victor Wayne Turback, Darek Szurlej and Bryan Wasilewicz, showed their work until May 12th. 'Why artists create' and 'how artist create' was significant to this show. The different reasons why artists create was be seen in their creations of 3-D found object sculptures, and abstract-conceptual along with mystical-storytelling oil paintings.

The City of South Amboy welcomes you to come and celebrate our student artwork on their opening night and enjoy the gallery as it will be bringing you opportunities to enjoy arts related activities in the near future. Come and Join the Celebrations!

Gloomy Spring

By Steve Schmid

The lousy spring weather continued Mother's Day as another rainstorm gave us heavy rains, cool temperatures and strong easterly winds. It was the second Sunday we experienced a washout that curtailed outdoor activities. We've had rain in about three quarters of the days in April and well into May. The gray skies have put a damper

on the green trees and flowers. Weather analysts blame the dreary weather on moist winds blowing off the Atlantic Ocean. Springtime in our area frequently is lousy due to the contrast between the cold ocean and the warming land. Hopefully in June we will see longer stretches of dry weather for everyone to enjoy.

May Crowning!

On Sunday, May 5, the crowning of the Blessed Mother took place in Sacred Heart Church during the Noon Mass. Father Stanley Gromadzki was the celebrant of the Mass and blessed the crown before members of the Rosary Society, carrying white carnations, processed around the church, followed by crowner, Dorothy Benson and crown bearer, Regina Haklar. The crown consisted of white roses and baby's breath. Dot's bouquet was made of the same flowers, accented with blue satin ribbons. A reception followed in Memorial Hall. The crowning of the Blessed Virgin Mary is a long standing Catholic tradition, typically done during the month of May. Pictured are Dorothy Benson, (right), crowner and Regina Haklar (left), crown bearer, next to the crowned statue of the Blessed Mother. (Photo/Info Submitted)

AC Trip & Everly Brothers Music May 29

The Sacred Heart Seniors want to take you down memory lane to experience the great popular songs of Phil and Don Everly. The Wednesday May 29 trip will go to Caesar's Palace in Atlantic City where you'll enjoy songs such as "Bye Bye Love," "Cathy's Clown," "Wake Up Little Susie,"

"Bird Dog," "Let It Be Me," "All I Have To Do Is Dream," and "Crying In The Rain," Cost of \$90 includes round trip motor coach transportation the show, and buffet lunch. You will also get \$25 in slot money to enjoy at the casino. For more information call Judy at 732-727-0154.

Spring Into A Healthy Exercise Program

With the arrival of warm weather, it is time to change your sedentary habits. Most spinal problems are related to the muscles and joints which supports the back.

Tense, chronically contracted muscles can start a chain of physiological events which can lead to many different kinds of back, hip and neck pain. Excessive tension in muscles create rigidity which diminishes blood and oxygen circulation causing the muscles to become inflexible and more susceptible to sprains, strains and tears. This stress causes imbalances to these muscles and joints. Muscle imbalances can put unnatural demands on tissues and ligaments of your spine causing damage to discs, ligaments and nerves of the spine. Musculoligamentous health and balance depends upon a delicate balance between muscular strength and ligaments suppleness. Exercise such as yoga, and Tai Chi promote muscle relaxation and flexibility through slow breathing and stretching. They can also promote spinal stabilization and balance coordination.

Essential elements of a successful exercise program

1. Wear comfortable clothing.
2. Keep movements long and slow, and gentle.
3. Move with your breath. Inhale when you stretch. Exhale when you curl or fold your body.
4. Concentrate on your movements.
5. When it signals pain ease up and don't force the movement.
6. Exercise regularly in a pleasant and quiet environment.

As always, an ounce of prevention is worth a pound of cure!

St. Stanislaus Kostka School students raised \$416 for the Missionary Childhood Association either by purchasing a rice lunch (grades 2-8) and or through donations. The rice lunch took place during Holy Week to remind students of what it feels like for those less fortunate and how our works of mercy can make a difference.

Rubino Returns To Sayreville HS

By Steve Schmid

When the 2019-20 school year begins September, faculty and students will welcome back a familiar face. Dan Rubino was appointed by the Sayreville School Board to be principal at Sayreville War Memorial High School. Rubino takes over July 1 at the beginning of the next school year. He succeeds James Brown who retired as principal of the high school January 1.

School Superintendent Richard Labbe served as interim principal in the meantime. It's a homecoming of sorts for Rubino who served as the school's vice principal before leaving to become principal of Spotswood High School. Labbe said he was glad to work with Rubino for four years before he left to go to Spotswood. He said he was impressed by his leadership, hard work and attention to detail.

A Great Day For The Outdoors & Fishing

Letters

Dear Brian:

Old folks love to reminisce and for this senior citizen, "The South Amboy/Sayreville Times" is a wonderful catalyst to bring yesterdays back to life. I love reading what Biff McKeon has to say about things, especially his big brother Jack! Playing baseball at St. Mary's, I had the great fortune to play on the same team that boasted the O'Brien twins, Ray Stockton, Jerry Connors and of course Jack who was arguably one of the best defensive catchers of all time, behind the plate. Bill brought the same McKeon talent to the game.

In the 1970's I used to call on pharmaceutical companies in Puerto Rico. The flight from Chicago was very late on one particular night, and as I was checking in to the hotel, I suddenly heard voices saying, "Hello Mr. McKeon; Good night Mr. McKeon." I turned and said the same thing - kind of surprised him. But we spent hours talking about our families, his fabulous career, what I was doing, and a lot of baseball talk lasting into the wee hours of the morning. It was a stroke of luck that he was managing the San Juan baseball team at the time and we could get together for a least a short time.

I'm always drawn to your "look back" columns. March's "70 Years Ago," in baseball vernacular, hit at least a double. It mentioned Sayreville A.D. Vince Abbatiello, Sr. who ran a foul shooting contest to raise funds for charity. It was won by John Kovaleski of Hoffman H.S. fame. He sunk 47 in a row! That was enough to beat his closest competitor, Bobby Koperwhats of Woodbridge H.S. for the title. It was a "double" because 1. Vince Abbatiello, Sr. was my father and 2. Bob Koperwhats went on to play shortstop at Rutgers University for Coach George Case, while I played second base. That's two for two! Bob and I still share emails! Thanks for the "Times"

The Miraculous Prayer
Dear Heart of Jesus, in the past I have asked for many favors. This time I ask you this my special one (mention favor). Take it, Dear Jesus, and place it within your own broken heart, where your Father sees it. Then, in His merciful eyes, it will become your favor, not mine. Amen. (Say this prayer for 3 days, promise publication and your favor will be granted. Never known to fail.) -S.S.

TO ST. JUDE
May the Sacred Heart of Jesus be adored and glorified, loved and preserved throughout the world. Sacred Heart of Jesus, pray for us. St. Jude, worker of miracles, pray for us. St. Jude gave me hope. -M.S.

PRAYER TO THE HOLY SPIRIT
O Holy Spirit, thou who art all knowing - Who brightens every path that I may reach my ideal - Thou givest me the divine gift of forgiving and forgetting wrongs done unto me and who in every instant of my life art with me. I'd like in this short dialogue to affirm my gratitude for all your blessings and reaffirm once again that I never want to part from thee though illusions of material things abound. My desire is to be with thee and all my loved ones in perpetual grace. Thank you for our mercy on me and mine. Persons should pray 3 consecutive days without revealing petition. Within 3 days grace will be obtained regardless of how difficult the petition may be. Publish this prayer once the petition has been attained. Thank you Holy Spirit. -L.P.

John F. Loftus

John F. Loftus, 96, of Seaside Park, NJ, died peacefully at home on April 27 surrounded by family and friends. He was born in Manhattan, NY on March 1, 1923, the son of the late Anna and Michael Mazer. In the early years, he resided in Old Bridge, NJ until he moved with his family to Brooklyn, NY during the Great Depression. Upon returning to Old Bridge, he enlisted in the Marine Corps, where Corporal Loftus served with the 4th Marine Division from 1943-1946. Mr. Loftus was a proud Iwo Jima survivor, and a charter member of VFW Post 7508 in Old Bridge, NJ. He was proud to be a part of "The Greatest Generation." John married the late Helen Sumoski Loftus on June 14, 1947. She predeceased him on June 15, 1990 after 43 years of marriage. John resided in the Parlin section of Sayreville for 40 years. He relocated to Seaside Park when he remarried Mary Wainczak on October 9, 1993. She predeceased him in March of 2001.

John retired from Hercules, Inc., Parlin, NJ plant, after 35 years as a lab operator in March of 1988. He served as recording secretary for the AFL-CIO Local 271 for several years. Mr. Loftus is predeceased by three younger brothers, Michael, Andrew and Richard.

John is survived by three daughters, Wendy Varkoly (George), Nancy Hauser (Joseph), Linda Russo (Joseph), and two sons, Gary (Laurie) and Jeffrey Loftus.

John is also survived by six grandchildren, Robert Myers (Heather), Aubrey Chisum (Patrick), Anissa Varkoly, Jeffrey, Jessica and Jillian Loftus, along with eight nieces and four nephews.

John enjoyed trips to Atlantic City, crabbing, and took pride in keeping his pool crystal clear. His greatest pleasure was sharing the natural beauty of the bay with family and friends right in his own backyard.

PRAYER TO ST. JUDE

(To be said when problems arise or when one seems to be deprived of all visible help, on far cases almost despaired of). Most holy Apostle St. Jude, faithful servant and friend of Jesus, the church honors and invokes you universally as the patron of hopeless cases, of things almost despaired of, pray for me, I am so helpless and alone. Make use I implore you of that particular privilege given to you, to bring visible and speedy help where help is almost despaired of. Come to my assistance in this great need that I may receive the consolation and help of heaven in all my necessities, tribulations, and sufferings, and that I may praise God with you and all the elect forever. I promise O Blessed St. Jude, to be ever mindful of this great favor, to always honor you as my special and powerful patron, and to gratefully encourage devotion to you. Amen. Thank You St. Jude. -E.P.
